Very Important Notice

Useful hints and tips to help you to protect your home

Please read this notice carefully as the advice it contains could help to prevent damage to your home. We are committed to supporting you with practical solutions to help you avoid some of the most common causes of damage.

Freeze and Escape of Water

- 1 If you leave your home unattended, leave the heating on low (around 15°C).
- 2 Know where the water shut-off valve (stopcock) is to isolate the supply in an emergency.
- 3 Lag pipes in the loft and check that the header and water tanks are insulated.
- 4 Lag outside water taps to prevent them freezing and pipes bursting.
- 5 In severe cold weather open the loft hatch to warm the void.
- 6 Plastic plumbing joints will probably degrade sooner than metal ones, so keep an eye out for the slightest hint of water.
- 7 If you are going to be away for an extended period, consider draining down your plumbing and heating system, but please do so with professional advice.

Storm

- 1 Regularly check the condition of all roofs. In particular check garage, shed and flat roofs for signs of wear and tear, as this is of particular importance in heavy snow with the unexpected additional weight.
- 2 Keep gutters, gullies and drains clear to carry water away quickly and efficiently.
- 3 A blocked downpipe with trapped rainwater may crack or shatter in freezing conditions.
- 4 Consider cutting back low hanging tree branches which could cause damage in high winds.

Please note: Buildings in sound condition will be able to cope with most weather conditions. Please remember insurance is not a maintenance contract and you are responsible for maintaining your property in a good state of repair. Please see below for further guidance.

Theft

- 1 Burglar Alarms; the sirenbox will act as a visual deterrent to some extent and dummy sirens can be purchased cheaply. Choose a system that lets off an alarm or one that dials a programmed number such as your mobile phone.
- 2 It is highly recommended that your external doors are strong, in good condition and secured to a high standard. Fitting a five lever mortice deadlock or extra sliding bolts will improve security. French doors should be fitted with top and bottom mortice locks on both doors.
- 3 Burglars often check convenient locations for a spare key. It is advisable to ensure that keys are not within easy reach of the letter box.

Fire

- 1 A properly functioning smoke detector will alert you in the early stages of a fire giving as much time as possible to make an escape. Test your detector regularly.
- 2 Avoid leaving candles left unattended or in a place likely to be knocked over.
- 3 It is advisable to have extinguishers in the home.
- 4 Do not fill a chip pan with more than one third of fat or oil. Do not place food in the pan if the fat or oil is giving off smoke.
- 5 Always switch off electric blankets before getting into bed. Make sure they have a safety check at least once every 3 years and contain a current safety mark.

VERY IMPORTANT NOTICE

Introduction

This is **your** Age Co Home insurance policy. Age Co Home insurance is designed to meet some of the specific needs of those in later life. It is a contract of insurance between **you** and **us**, and is made up of this booklet and **your schedule**. It is based on the statements and information **you** gave **us** or the information that was given on **your** behalf when **you** applied for the insurance. That information may have been given to **us** on a **proposal form**, on a **statement of fact** or during a phone conversation. **We** used that information to assess the cover **we** would provide for **you** and to set the premium and policy conditions **we** need for that cover.

To ensure that **you** have the right insurance policy for **your** needs, **you** must read this policy booklet and **your schedule** together. Please check them carefully to make sure they give **you** the cover **you** want. If after reading these documents **you** are not satisfied that the cover meets **your** needs, **you** can cancel **your** policy. If **you** cancel **your** policy as long as **you** have not made a **claim**, **we** will give **you** a refund for the period of time that was left on **your** policy. For more about this, please see the Policy Conditions section of this booklet.

If **your** needs change or any of the information given on **your proposal form** or on a **statement of fact** or during a phone conversation, **we** might need to alter **your schedule**. Under the policy conditions, **you** must tell **us** about any changes. **We** will update the contract every time **we** agree to an alteration. **We** will give **you** a new **schedule** each time **we** renew the contract or make an alteration. If **you** ask **us** to, **we** will send **you** a new policy booklet when **you** renew **your** policy.

If **you** have any questions about this policy booklet or any documentation **you** have received, please call the Age Co Home Insurance policy administration helpline on **0345 128 7916**.

We agree to insure **you** under the terms and conditions set out in this policy booklet and the sections shown in **your schedule** for loss, damage, injury or liability that happens during the **period of insurance**. **Your schedule** tells **you** which sections of this policy booklet apply. Opposite each heading of cover on those pages **you** will find some exceptions that tell **you** what is not insured under that heading. There are also some general exclusions on page 16 that apply to all of the contract of insurance.

You agree to pay the premium and to keep to the conditions of the policy.

Policy Conditions

1 Your Policy

Your policy is based on the **statement of fact**, or the **proposal form** and declaration, this policy booklet and the **schedule**.

The insurance will not be valid if:

- any information **you** have given **us** is not true and accurate; or
- **you** do not keep to the conditions of the policy.

You cannot make a claim if the insurance is not valid.

2 The law that applies

English Law will apply to this contract unless **you** and **we** agree otherwise. However, if **you** live in Scotland, Northern Ireland or the Channel Islands, the law of that country will apply unless **you** and **we** agree otherwise. The contractual terms and conditions and other information relating to this contract will be in the English Language. (If **you** live in Jersey, the law of Jersey will apply to this contract and the Jersey courts will have exclusive jurisdiction over disputes between **us** and **you** in relation to it.)

3 Rights of third parties

Nothing contained in this contract gives anyone else any rights under the Contracts (Rights of Third Parties) Act 1999 or any legislation that amends the Act.

4 Changes

Your policy is based on the answers on the **Statement of Fact** (or which is shown in a Statement of Insurance or given on **your Proposal Form**). **you** must tell **us** of any changes to the answers **you** have given as soon as possible. Failure to advise of a change to **your** answers may mean that **your** policy is invalid and that it does not operate in the event of a claim.

In particular, **you** must tell **us**:

- if **you** change **your** address;
- if **you**, or any person named in **your schedule**, change job;
- if **you** or **your family** receive a county court judgement or conviction, or are prosecuted (except for motoring offences where a prison sentence has not been served);

- if someone other than a member of **your family** comes to live with **you**; and
- if **your home** will be **unoccupied** for more than 60 days in a row.

Please remember that if **you** do not tell **us** about changes, it may affect any claim **you** make.

5 Small premium changes

We will not request from **you**, or refund to **you**, any difference in premium following a change being made to **your policy** during the **period of insurance** if it is less than £10.00.

6 Precautions

You must take reasonable care to:

- keep **your home** or **caravan** in a good state of repair; and
- avoid or limit any loss, damage or injury.

7 Security

If **you** live in certain areas, **we** may insist that **you** have high-security locks and, in some cases, an alarm system fitted. To reduce **your** premium, **you** may have told **us** that **you** have these locks or an approved alarm. **We** will print an endorsement on **your schedule** showing the security measures, when **you** must use them and the cover that is excluded if **you** do not use them. If **we** have insisted that **you** have this security, but it is not fitted or **you** do not keep it in good working order, the cover under the policy will not be valid for theft, attempted theft or malicious damage.

Use of a **key safe** is permitted as suitable storage of **your** keys provided it is fitted adhering to the manufacturer's instructions and using the correct security bolt fixing supplied with the device.

8 Cancelling the policy

- **You** can cancel by phoning **us** on 0345 128 7916. Cancellation can take effect immediately or from a later date, but cannot be backdated to any earlier date.

Cancelling any direct debit instruction does not mean **you** have cancelled the policy. **You** will still need to follow the instructions above.

If cover has not yet started, **we** will refund any premium paid in full. If cover has started, **you** will have to pay for any period of cover that has already been provided but not yet paid for.

If no claims have been made in the current **period of insurance**, **we** will refund a percentage of the premium in proportion to the period of insurance left unused.

If any claim has been made in the current period of insurance, **you** must pay the full annual premium and **you** will not be entitled to any refund.

- Where **we** suspect fraud on this or any other related policy.
- Where **you**, a person acting on **your** behalf, or any person covered by this policy uses threatening, intimidating or abusive behaviour or language towards **our** staff, suppliers or agents acting on **our** behalf.
- Where any person claiming cover under this policy fails to provide **us** with any reasonable information **we** ask for.
- Where a misrepresentation has been made that results in **us** no longer wishing to provide cover.
- Where **we** are unable to collect a premium payment due to insufficient funds in the account **you** have nominated to pay from (notice will be sent to **your** last known address allowing **you** an opportunity to rectify the situation, and confirming that a second attempt to collect the payment will be made).
- Where **we** are unable to collect a premium payment due to a Direct Debit Instruction being cancelled (notice will be sent to **your** last known address allowing **you** an opportunity to rectify the situation by reinstating the previous Direct Debit instruction, providing a new Direct Debit instruction or by providing the full outstanding premium). **We** will refund a percentage of the premium in proportion to the **period of insurance** left unused.

12 How to make a claim

If **you** are aware of an **incident** that might lead to a claim or **you** need to make a claim, **you** must do the following as soon as possible:

Buildings, contents, static or touring caravans

Call **our** claims helpline on the number shown on **your** Insurance Schedule.

What you must do for all claims

- Tell the police as soon as reasonably possible if something is lost or if **you** suspect theft or malicious damage.
- Take all practical steps to get back any property which has been lost.
- If **we** have asked **you** to fill in a claim form, send it back to **us** with everything **we** have asked for, within 30 days of **us** sending it to **you**.
- Immediately send **us** any written claim which is made against **you**, and give **us** full details of any verbal claims made against **you**.
- Take reasonable action to protect the property from further loss or damage.

You must not:

- throw away, get rid of or destroy any items that are damaged until **we** say so;
- admit or deny responsibility for any **incident**; or
- negotiate or settle any claims made against **you** by anyone else, unless **we** agree in writing that **you** can.

We can negotiate, defend or settle, in **your** name and on **your** behalf, any claims made against **you**. **We** can also take legal action in **your** name but for **our** benefit to get back any payment **we** have made under this policy.

Further conditions for static and touring caravans and caravan equipment

- 1 Get an estimate for repairs from a local caravan repairer if **your caravan** is damaged.
- 2 Keep all invoices and receipts for work carried out.
- 3 **you** will not leave property for **us** to deal with unless **we** agree.

13 How we will settle your claim

When settling **your** claim **we** have the following options available to **us** and **we** will decide which is most appropriate;

- Repair
- Replace
- Rebuild
- Payment

We may offer to repair, replace or rebuild any loss or damage through one of **our** approved suppliers, however, should **you** prefer to use **your** own supplier **you** may, providing **you** agree this with **us** beforehand. Should **you** use **your** own supplier, any payment made would not normally exceed the discounted amount **we** would have paid **our** approved supplier. All **our** repairs are guaranteed for one year.

If **we** decide it is not appropriate to repair, rebuild or replace **your buildings** and/or **contents**, **we** will send **you** a payment representing:

- the amount by which the **buildings** and/or **contents** has gone down in value as a result of the claim; or
- the estimated cost to repair, replace or rebuild **your buildings** and/or **contents**; whichever is the lowest.

If **you** are insured for **your** buildings and **your contents** under the same policy, **we** will take off the **excess** under only one cover if **you** make a claim under both covers for the same **incident**. **We** may take any outstanding premium from any payment **we** make.

Important

You must make sure that the **maximum claim limit** is correct.

- Under section 1 - **Buildings**, the **maximum claim limit** must be enough to fully rebuild **your home**, including the cost of demolishing any existing structures (if needed) and removing debris.
- Under section 2 - **Contents**, the **maximum claim limit** must be enough to replace all the **contents of your home** with new items of the same or nearest equivalent quality and type. Calculating how much it would cost to replace all home contents regularly can help **you** make sure **your personal belongings** are covered at the correct value.
- For **specified** items of **personal belongings, valuables** or any other **specified** item, the amount shown on the **schedule** must be enough to replace the item as new.

When an **incident** happens:

- Under section 1 - **Buildings**, if at the time of any loss or damage, the **buildings** sum insured is not enough to reconstruct **your buildings** **we** will reduce the amount of any claim payment by the percentage by which **you** have under-paid **your** premium. An example calculation is shown below. If however the correct sum insured is shown to exceed **our** acceptance terms and criteria shown on **your schedule**, **we** may refuse to pay **your** claim.
- Under section 2 - **Contents**, if, at the time of any loss or damage, the **contents** sum insured is not enough to replace the entire contents of **your home** as new, **we** will reduce the amount of any claim payment by the percentage by which **you** have under-paid **your** premium. An example calculation is shown below. If however the correct sum insured is shown to exceed our acceptance terms and criteria shown on **your schedule**, **we** may refuse to pay **your** claim.
- For **specified** items of **personal belongings, valuables** or any other **specified** item, if at the time of any loss or damage, the item sum insured is not enough to replace the item as new, **we** will reduce the amount of any claim payment by the percentage by which **you** have under-paid **your** premium. An example calculation is shown below. If however the correct sum insured is shown to exceed our acceptance terms and criteria shown on **your schedule**, **we** may refuse to pay **your** claim.
Example calculation

If the premium **you** have paid is equal to 75% of what **your** premium would have been, if **your** sum insured was correct, then **we** will pay up to 75% of any claim made by **you**.

Pairs, sets and suites

We will pay for the cost of repairing or replacing the damaged part or parts. If there are undamaged parts which form part of a pair, set, suite or part of a common design and **we** cannot get a reasonable match in colour or design, **we** will pay 50% of the cost of replacing the undamaged parts.

Setting Up of Replacement Goods

Following a claim, for example, tuning a television or plumbing in a washing machine.

Building section

If **you** keep **your buildings** in good repair, **we** will pay the cost of repairing or rebuilding the **buildings**.

Protecting sums insured

The **maximum claim limit** under the **buildings** and **contents** sections will not be reduced if **you** make a claim.

Static and touring caravans

We will settle any claim under these sections in the following ways.

- If an engineer inspects the damage to **your caravan** and decides that **your caravan** can be repaired, **we** will pay the cost of repairing this damage. Any repair cost will be paid directly to the repairer. **You** will be responsible for paying any policy **excess**.
- If **your caravan** is stolen and remains missing or an engineer decides that **your caravan** is beyond economical repair (written off), **we** will pay **you** the market value of **your caravan** or the **maximum claim limit** shown on **your schedule**, whichever is lower. **You** will be responsible for paying any policy **excess**.
If **your caravan** has been stolen, **we** will need:
 - the original purchase invoice for the **caravan**;
 - all keys for the **caravan**;
 - keys for the wheel clamp (for touring **caravans**);
 - any photographs of the **caravan**; and
 - an estimate for replacing the **caravan equipment**.
- If within 12 months of buying **your caravan** as brand new, **your caravan** is:
 - stolen and not recovered; or
 - damaged beyond economical repair;**we** will either:
 - replace **your caravan** with a new **caravan** of the same make and model (or the nearest equivalent); or
 - send **you** a cheque for the cost of replacing **your caravan** as brand new at the time of loss.

The maximum **we** can pay in these circumstances is the **maximum claim limit** shown on **your schedule** plus 10%, less **your excess** amount. The **maximum claim limit** on **your caravan** will not be reduced after **we** pay a claim.

● **Caravan equipment**

- **We** will settle any of these claims by:
- paying the amount of loss or damage to these items; or
- paying the cost of repairing or replacing these items.

14 Your Policy

Your policy is based on the answers that **you** gave about **yourself** which allowed **us** to assess the chance of **you** suffering a loss, based on statistics that **we** have gathered over many years. The information allowed **us** to decide what premium to charge **you** and what conditions should apply to **your** cover.

If any of the answers were incorrect or have changed and **you** have not received **our** written agreement to the change or addition of extra information, **your** policy may not be valid. If the policy is not valid, **you** cannot make a claim. If **you** are in any doubt about whether a piece of information is relevant, please ask **us**. **We** will be happy to give advice.

As a guide, here are a few examples. The list does not cover all possible changes.

Example a

The contract of insurance covers **you** if **your home** is **unoccupied** for up to 60 days in a row. **You** have told **us** that **your home** will not be left **unoccupied** for more than 60 days in a row. If this changes and **your home** will be left **unoccupied** for longer than 60 days in a row, **you** must tell **us**. If the **home** is left **unoccupied** for more than 60 days, the chances of a loss arising increase and any damage is likely to be greater than it would be if the property was occupied. So, **our** assessment of the risk would be different for an **unoccupied** property.

Example b

The property covered by this policy is shown in **your schedule** of insurance. If **you** change **your** address, this may influence the premium or the cover **we** are prepared to provide. **You** may need to have a higher level of security, for example, special locks are a condition for cover in some areas of the country. So, a change of address is a fact **you** should report to **us** before **you** move.

15 Index-linking

Your sum insured for **buildings** will be £500,000, or a higher amount as **you** may have advised or is shown on **your** policy **schedule**. If **you** have given **us** a sum insured amount for **buildings** or **contents** cover on which to base **your** premium, **we** will

change the **maximum claim limit** each month. **We** will assess it each year on the renewal date. The change will be in line with the published Consumer Durables Index for **contents** cover and the House Rebuilding Cost Index for **buildings**.

The amended **maximum claim limit** and the renewal premium will be shown in **your** renewal notice. **We** will not reduce these limits if an index value reduces unless **you** ask **us** to do so. Index-linking the **buildings maximum claim limit** will continue during replacement or repair following a loss or damage as long as the replacement or repair is carried out without unnecessary delay.

The **maximum claim limit** for static and touring **caravans** and static and touring **caravan equipment** are not index-linked. It is **your** responsibility to make sure that these **maximum claim limits** meet **your** needs.

General policy exclusions

The policy does not cover the following.

 - was expected or should have been expected;
 - happened before the policy started; or
 - is not reported to **us** as soon as possible and within 30 days of the end of the **period of insurance** in which it happened.
- Consequential or indirect losses. That is any loss, damage or additional expense, which happens as a result of, or is a side effect of, the event for which **you** are insured. This includes but is not limited to the following: loss of earnings, travel costs, loss assessor fees, the cost of preparing a claim, compensation for stress and/or inconvenience.
- Property more specifically covered by another policy of insurance.
- Any criminal or deliberate act by **you** or **your family**.
- Any loss or damage resulting directly or indirectly from criminal actions of a tenant who is renting the **home**.

VERY IMPORTANT NOTICE

That means **we** will not cover the cost of wear and tear or maintenance costs such as defective rendering, re pointing chimneys or general roof maintenance.

We also do not cover damage that happens over time such as damp, rot or damage from **vermin**. **you** should keep **your** property in good repair, and take reasonable steps to avoid loss or damage.
